

| Courses | Title | Fall 2020 | Spring 2021 | Fall 2021 | Spring 2022 | Fall 2022 | Spring 2023 | Fall 2023 | Spring 2024 |
|-------------------------|--|-----------|-------------|-----------|-------------|-----------|-------------|-----------|-------------|
| Required Courses | | | | | | | | | |
| CE 5020 | Applied Probability Concepts in Civil Engineering | X | X | X | X | X | X | X | X |
| CE 5210 | Municipal Hydraulic Systems | | | X | | | | X | |
| CE 5211 | Applied Hydrology | X | X | X | X | X | X | X | X |
| CE 5250 | Advanced Water Treatment | X | | | | X | | | |
| CE 5260 | Advanced Wastewater Treatment | | | | X | | X | | |
| Elective Courses | | | | | | | | | |
| CE 5200 | Environmental and Water Resources Seminar | | X | | | X | | | |
| CE 5271 | Unit Operation and Processes for Environmental Engineering | | | | X | | | X | |
| CE 5220 | Solid and Hazardous Waste Engineering | X | | | | X | | | |
| CE 5280 | River Mechanics | | X | | | | X | | |
| CE 5290 | Global Climate and Water Supply | | | | | X | | | |
| CE 5261 | Air Quality Engineering | | | | | | | X | |
| CE 5241 | Environmental Remediation | | X | X | X | X | X | X | X |
| CE 5201 | Environmental Chemistry | | | | | | | | X |
| CE 4231 | Water Reclamation & Desalination | | | X | | | | X | |
| CE 5310 | GIS Applications in Civil Engineering | | X | | X | | X | | X |
| CE 5990 | Low Impact Development for Water Resources | | | | | | X | | |
| CE 5990 | Applications of Geospatial Technologies for Practitioners | | | | | | | | |
| CE 5990 | Bioresources and Bioenergy Recovery | | | X | | | | X | |
