Students in the College of Engineering put theory into practice, tackling real-world problems with hands-on learning, collaborative teamwork, innovation, entrepreneurship and professional integrity. Our inclusive Polytechnic Experience prepares them to be workforce-ready on day one and flexible for the ever-changing future of work.

**UNDERGRADUATE ENROLLMENT = 5,994**

- Civil Engineering 25%
- Mechanical Engineering 24%
- Electrical & Computer Engineering 23%
- Aerospace Engineering 13%
- Chemical & Materials Engineering 6%
- Electromechanical Engineering Technology 5%
- Industrial & Manufacturing Engineering 4%

**GRADUATE ENROLLMENT = 355**

**UNDERGRADUATE STUDENT DIVERSITY**

- Hispanic/Latino/a/x 44%
- Asian 26%
- White 18%
- Two or More Races 4%
- Unknown 3%
- Black/African American 2%
- Non-Resident Alien 2%
- Native Hawaiian or Other Pacific Islander Less than 1%
- American Indian or Alaskan Native Less than 1%

Diversity and enrollment data is from fall 2022.

**RANKINGS**

- #10 Engineering Program in U.S.
- #2 Computer Engineering
- #3 Civil Engineering
- #5 Aerospace Engineering
- #8 Electrical Engineering
- #8 Mechanical Engineering

Rankings are among engineering programs not offering a doctoral degree; U.S. News & World Report 2023.
MAXIMIZING ENGINEERING POTENTIAL (MEP) provides academic and career support to students from underrepresented groups and historically under-resourced communities.

WOMEN IN SCIENCE and ENGINEERING (WISE) provides resources and support services to undergraduate and graduate students and faculty in STEM fields at Cal Poly Pomona.

Our student teams are renowned in national and international circles. The FORMULA SAE and BAJA SAE teams build and race vehicles in global competition and have historically ranked as the top California team. In the international AMERICAN INSTITUTE OF AERONAUTICS AND ASTRONAUTICS (AIAA) SPACE SYSTEMS DESIGN COMPETITION, aerospace engineering students have ranked in the top three for over a decade. Civil engineering teams have won the ASC DESIGN-BUILD COMPETITION in each of the last four years.

The CAL POLY UNIVERSITIES’ ROSE FLOAT is the only student-designed and -built float in the Tournament of Roses Parade, and our engineers help make it happen. Since 1949, our floats have earned 60 trophies.
