Make a Difference in the World

Electromechanical engineering technologists enhance electrical and mechanical processes and products that make a difference in people’s lives.

The Electromechanical Engineering Technology Department offers a Bachelor of Science in Electronic Systems Engineering Technology, and a Bachelor of Science in Electromechanical Systems Engineering Technology.

The only electromechanical engineering technology program in California

70
Specialized laboratories in the College of Engineering

450+
Senior project presentations at the annual Project Showcase
WE TRAIN WORLD-CLASS WORKFORCE READY ENGINEERS

Applications accepted online through: www.calstate.edu/apply

ONE OF THE BEST ENGINEERING COLLEGES IN THE NATION

• Ranked top 5 best undergraduate engineering program among public universities in the Master’s Category by U.S. News & World Report.

• With more than 45 student clubs, we offer many opportunities for students to hone skills needed to succeed in industry, including communication and teamwork.

• It is estimated that 1 out of 14 engineers in the state of California graduated from Cal Poly Pomona.
