total AH in core requirement =	12
total UD GE units at CPP =	9
total CPP units for degree	60

**NOTES**

- All major courses must be passed with a grade of C- or better
- Approved Electives may not double count toward other areas of the Major.
- Plan accordingly for pre-requisites, especially for Approved Electives you wish to take.

1 = Repeatable 1 time  
 2 = Total credits limited to 4 units; maximum of 2 units per semester  
 3 = Prerequisite: must earn a C or better in IBM 3012

Please note that the VCD Transfer Roadmap is a "guide." Transfer students will still need to complete all requirements, but this shows an example of what most students will need to take at CPP. Most notably, all VCD transfer students will need to take Typography and Visual Thinking at CPP, and many students will also need to take Foundations in 4D Design and Foundations in 5D Design because most schools will not have comparable courses.
