BACHELOR OF SCIENCE IN URBAN AND REGIONAL PLANNING
DEPARTMENT OF URBAN AND REGIONAL PLANNING
CALIFORNIA STATE POLYTECHNIC UNIVERSITY, POMONA

CORE COURSE FLOW CHART FOR TRANSFER STUDENTS

The courses listed on the chart should be taken in the sequence shown. You must also complete up to 9 units of support courses that double count with GE. Any remaining general education courses must be completed during this period. Note: Most classes are offered only once a year and have prerequisites, so taking the correct sequence is important. Failure to follow the sequence could delay your graduation by one year. All URP and elective classes must be completed with a C- or better.
