

ACADEMIC PAYMENT SCHEDULE

Fall 2026 - Spring 2027

As a faculty member at Cal Poly Pomona, your appointment may be for either a semester or an academic year, and the type of appointment determines your pay schedule. Faculty appointed for a single semester will typically receive equal pay warrants distributed over a six-month period. In contrast, faculty appointed for an academic year (fall and spring) will receive equal pay warrants distributed over a twelve-month period. Please note that a Lecturer or Academic Year Teaching Associate hired to teach in the fall and subsequently appointed to teach in the spring will be paid as if working on an academic year basis, rather than on a semester schedule. The following tables outline the pay schedules for faculty appointments:
