

# PROFESSIONAL LEAVE SALARY

---

The salary for a difference-in-pay leave for a faculty shall be the difference between the faculty employee's academic year salary and the minimum salary of the instructor rank (Lecturer A = \$4,229).

Please see below:

## For a Difference-in-Pay Leave, the formula is:

**1-semester DIP:** you receive your salary for that semester less \$25,374  
*(your monthly salary minus \$4,229 for 6 months, and your full salary for the other 6 months of the year)*

**2-semester DIP:** you receive your salary for two semesters less \$50,748  
*(your monthly salary minus \$4,229 for 12 months)*
