The salary for a difference-in-pay leave for a faculty shall be the difference between the faculty employee’s academic year salary and the minimum salary of the instructor rank (Lecturer A = $4,398).

Please see below:

**For a Difference-in-Pay Leave, the formula is:**

1-semester DIP: you receive your salary for that semester less $26,388
   *your monthly salary minus $4,398 for 6 months, and your full salary for the other 6 months of the year*

2-semester DIP: you receive your salary for two semesters less $52,776
   *your monthly salary minus $4,398 for 12 months*
