WHO WE ARE

The Clothes Closet is a place where students can come in and create professional interview looks as well as casual work day attire. With the help of the interns/stylists, students will feel confident in what they pick from the closet. Thanks to the donations we receive, we are able to help students who are unable to obtain professional attire on their own.

"DUE TO THE COVID-19 PANDEMIC, WE ARE ONLY ABLE TO ACCEPT MONETARY DONATIONS AT THIS TIME. ANY SUPPORT OF THE CLOTHES CLOSET IS APPRECIATED. THANK YOU."

WHY WE NEED DONATIONS?

The Career Center Clothes Closet provides students with professional clothing for interviews, career fairs, conferences, networking events and for the first week of work. We accept professional attire in order to maintain stock in the Clothes Closet so we can continue to provide this wonderful service year round.

We ask that professional clothing donations be in ready to wear conditions with no stains, odors, tears, or missing buttons. All professional attire is welcome.

FINANCIAL DONATIONS

Financial donations are also welcome and are used to:

Support the Apparel Merchandising & Management Department students as a hands on "lab" for them to work on inventory, design, set-up, management, and marketing;
Help maintain an inventory system to tag and keep track of clothing items;
Increase the layout and design of the current Clothes Closet boutique to maintain the growing number of students utilizing the service.
