### **FACILITIES PLANNING & MANAGEMENT**

Emergency Contact List August 2, 2021

#### 1.0 PURPOSE

This document provides after-hours contact information for the University Police Department (UPD) to reach Facilities Planning & Management (FP&M) employees to respond to routine, non-routine and critical after-hours emergencies.

### 2.0 BACKGROUND

FP&M recently updated its emergency contact list to include primary and secondary rotating contacts as well as a Level 1 and Level 2 escalation contact after an event when UPD was unable to contact an FP&M employee for an afterhours emergency.

### 3.0 OVERVIEW

All FP&M employees on the Emergency Contact List are expected to respond to calls from UPD after hours. If an employee is not available (i.e.: on vacation) and unable to take calls, it is the primary contact's responsibility to notify the secondary contact and UPD of the absence. All employees on the emergency contact list will be offered cell phone reimbursement as defined by the Campus Mobile Communication Device Policy. In addition, non-exempt staff will be paid overtime for hours spent responding to after-hours emergencies, per the unit's collective bargaining agreement.
