

Logging into Cascade

cascade.cpp.edu

Open a web browser and type in the url cascade.cpp.edu. Use your bronco name and bronco password to log in.

The screenshot shows the Cascade CMS login interface. At the top, the "CASCADE CMS" logo is displayed in white text on a dark background, with a red graphic element. Below the logo is a white login form with the following fields and elements:

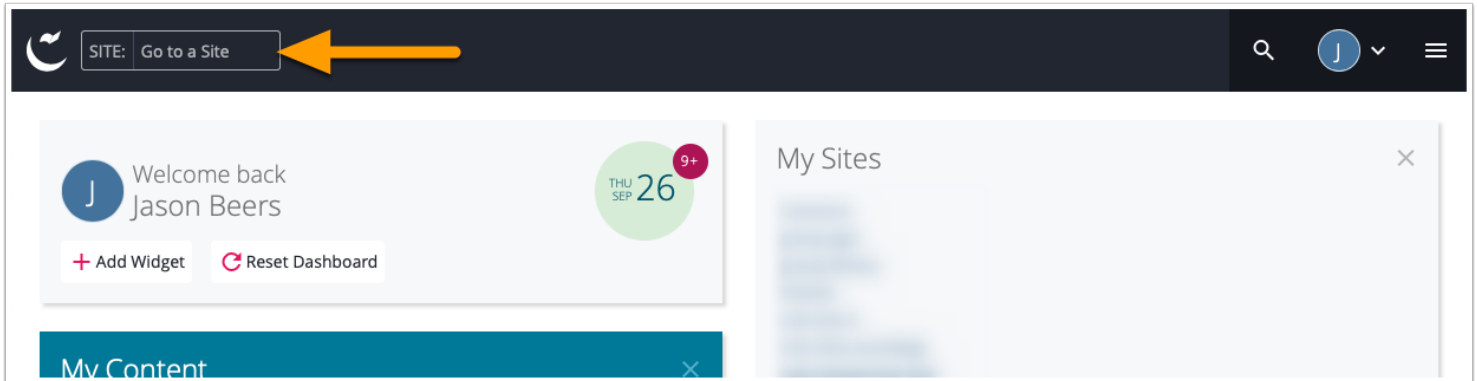

- Login** (Section Header)
- Username** label above a text input field containing "bronconame".
- Password** label above a password input field containing "*****".
- Remember me** checkbox.
- Login** button.

At the bottom of the form area, the copyright notice reads: © 2018 Hannon Hill Corporation - v8.9.1 Web Content Management System.

Logging into Cascade

Select a Site

After logging in you will see Go to a Site in the top black navigation bar. Select the website you want to work on.

Site Landing Page

When you select your site you will see the site landing page appear. The left side section is a file view and site structure for your website. The center view is your working area where you will see a folders contents or the current page you want to work on. See more in the next tutorial on editing a page.
