

About the LTD FYE Challenge

Learn Through Discovery encouraged all first-year students to engage in a [Signature Polytechnic Experience](#) (PolyX) based on the [FYE Common Read](#). Students who participated in the LTD FYE Challenge read the book and developed innovative solutions to an opportunity or problem in the book that they could launch in an impacted community. The top three FYE student teams were selected to present before a panel of judges at the [LTD FYE Showcase](#) at the end of the Fall semester. This event happened in Fall 2018 and Fall 2019, before concluding in Fall 2020.
