IMPORTANT DATES
Applications for the Fall 2022 semester must be submitted between 10/1/21 - 11/30/21.

MINIMUM ELIGIBILITY REQUIREMENTS
At minimum, freshmen applicants must meet the CSU eligibility requirements, including graduation from high school and completion of the following A-G courses with a “C-” or better. “P/CR” grades will be accepted during the Winter, Spring, Summer, and Fall 2020 semesters and in the Winter, Spring, and Summer 2021 semesters. Meeting CSU minimum requirements does not guarantee admission into Cal Poly Pomona.

Impaction means we receive more applications from qualified students than can be admitted. At Cal Poly Pomona a number of individual majors and programs are impacted. Supplemental criteria may be required, including a higher GPA (overall and/or math) and MFA score. Learn more at http://bit.ly/cppfresh_impacted_majors

AM I ELIGIBLE?
To determine admission eligibility, applications will be evaluated on coursework (A-G courses), including the grade point average of 10th and 11th grade, as well as extracurricular activities and leadership.

Applications will first be reviewed to see if they are CSU-eligible. If they are, then the applications will be reviewed by the specific campuses that the student has applied to.

Cal Poly Pomona has implemented a new multifactor admissions (MFA) evaluation process for first-time freshmen applicants. The MFA process excludes ACT/SAT scores and instead relies on both academic and non-academic student variables.
