

Annual Report on Regulated Equipment and Tools

In July 2022, pursuant to Assembly Bill 481 (AB 481), the California State University Board of Trustees approved a system-wide Regulated Equipment and Tools Policy for its university police departments. This policy was adopted and published by the California State Polytechnic University, Pomona Police Department (CPP PD) within Policy 706.

AB 481 and Policy 706 require that we publish certain information annually regarding specified regulated equipment and tools. Of the regulated types of equipment and tools outlined in AB 481, CPP PD maintains the Skydio X10 unmanned aircraft system (UAS), Defense Technology 40mm sponge-tip launchers, and Remington 870 12-gauge less-lethal shotguns.

To enhance transparency and communication, CPP PD will host a community engagement event on October 1, 2026, at 3pm in the CPP PD conference room located at 3801 West Temple Avenue, Building 109, Pomona, CA 91768.

Information regarding the use, policy compliance, funding, and inventory for the period of July 1, 2025, through June 30, 2026, is outlined below.

Summary of use and purpose:

CPP PD did not use any of its regulated equipment and tools between July 1, 2025, and June 30, 2026.

Summary of any complaints or concerns received concerning regulated equipment and tools:

CPP PD did not receive any complaints or concerns regarding the use of the equipment and tools outlined in AB 481.

Results of any internal audits, any information about violations of the regulated equipment and tools policy, and any actions taken in response:

CPP PD did not receive any audit findings or information about violations associated with the regulated equipment and tools policy.

Annual cost and source of funds for regulated equipment and tools:

Total expenditures in fiscal year 2025/2026 for new equipment, training and readiness of regulated equipment and tools outlined in AB 481 was approximately \$21,000.00, which was expended from the CPP PD general fund account. Approximately \$21,000.00 of this amount was to purchase the Skydio X10 UAS subscription. In the upcoming fiscal year 2026-2027 these funds will again come from the CPP PD general fund account.

Current inventory of regulated equipment and tools:

CPP PD currently possesses (1) Skydio X10 UAS, (3) Defense Technology 40mm sponge-tip launchers, (33) 40mm duty sponge rounds, (10) practice sponge rounds, (2) Remington 870 12-gauge less-lethal shotguns, and (325) less-lethal rounds.

Planned purchases of regulated tools and equipment in fiscal year 2026/2027:

CPP PD has no planned purchases for next fiscal year.
