Client advocates are paid 2-year positions working with Public Defenders nationwide (including LA, San Diego, and San Bernardino); they learn skills that prepare them for law school and beyond; and become part of a network of PfJ alums nationwide.

The event will take place on Thursday, February 26 at noon. [Join on Zoom.](#)

## UC Irvine School of Law Pre-Law Outreach Program applications open

The UC Irvine School of Law pre-Law Outreach Program (POP) helps students from disadvantaged backgrounds understand the demands of law school, prepare for the law school application and admissions process, and further inspire them to one day use their legal skills to give back to the community.

The summer session is filled with workshops and panels designed to set students up for success by breaking down the law school application process, introducing participants to practitioners working in various practice areas, building their confidence about their strengths and experiences, and helping them set attainable goals.

There is no charge for students admitted to the program. Applications are due by Tuesday, March 31.

For more information, eligibility, and to apply, [visit the POP website](#).
