December 2025**

President Levine plays the first verse of “Richard B. Smith’s “Winter Wonderland.” Lesili stands opposite of Levine, while a ten-person student choir stands behind Levine and sings the first verse of the song.

LEVINE

Hello everyone. As we reach this special time of year, I’m reminded of how important it is to pause and appreciate the people who bring meaning into our lives. This season gives us a chance to celebrate, to gather with friends and loved ones, and to share our light, our care and our laughter with one another.

I hope you take time to rest, to recharge and to reflect on the many gifts in your life; reconnect with old friends, revisit cherished traditions, and most importantly, stay away from your emails.

On behalf of my wife, Lesili, our leadership team here at Cal Poly Pomona and everyone in the President’s Office, we wish you a joyful and peaceful holiday season. Thank you for all you do for our Bronco community.

LESILI

From our home to yours — Happy Holidays.

And see you in 2026!
