PROCUREMENT CARD PROGRAM OVERVIEW

Introduction

Procurement authority is delegated by the CSU Board of Trustees, the Chancellor, and University President to Contracts and Procurement by the Standing Orders of the Board of Trustees and the policies of the CSU and Cal Poly Pomona.

The Procurement Card (P-Card) Program is designed to provide a simplified method for Cardholders to procure small dollar, low value purchases to support department's daily operations. Use of the Procurement Card (P-Card) reduces the traditional paper and labor-intensive procurement process for daily purchases. Executive Order No. 760, dated October 16, 2000, establishes minimum standards for use of Procurement Cards to ensure appropriate safeguards are in place. **P-Cardholders are expected to use the Procurement Card (P-Card) by selecting the goods or services based on the lowest, logical total price that meets business requirements.**

Legal Reference and Authority

The Integrated CSU Administrative Manual (ICSUAM), Section 5000, General Procurement Requirements, ICSUAM 5250, and CSU Executive Order No. 760

Eligibility

To be eligible for a Procurement Card (P-Card), the requestor must be employed by the University as a part-time or full-time faculty or staff member with an appointment of 6 months or greater. Temporary staff (appointment less than 6 months), Auxiliary Services Employees, Associated Student Employees, Retired Faculty/Staff, Volunteers, and Student Assistants are not eligible for a Procurement Card (P-Card). Eligible faculty/staff needs to submit an approved and signed Procurement Card Application to the Procurement Services, Building 75.

Authorized Use

All purchases and expenses made with the Procurement Card (P-Card) must be made in accordance with University policy for official University business only. Any personal expenses must be reimbursed to the University by the Cardholder and may result in the revocation of card privileges. State issued Procurement Cards are to be used and paid by State budget. Purchases for Auxiliary and Philanthropic are not allowed and will be deemed prohibited.

P-CARD MONTHLY RECONCILIATION PROCESS

Cardholders are required to complete a monthly reconciliation for purchases made during specified billing cycle. If no purchases were made, the reconciliation documents are not required. However, it is advised Cardholders should login and verify that there are no unexpected or fraudulent charges posted.

Step 1: Approve Transactions online via U.S. Bank Access Online

Refer to the Cal Poly Pomona Cardholder Training PowerPoint for complete instructions.
Reallocate any charges, as necessary, prior to approving online.

Step 2: Print Account Activity Report in U.S. Bank Access Online

Refer to the Cal Poly Pomona Cardholder Training PowerPoint for complete instructions.

Step 3: Complete Monthly P-Card Purchase Summary Form

The Cardholder should check all applicable boxes and sign* the Monthly P-Card Purchase Summary (Exhibit C, or download form at: <http://www.cpp.edu/~fas/forms.html#pss>).

**The Monthly Purchase Summary must be signed by the Cardholder and their Approving Official.*

Step 4: Prepare and itemize P-Card Monthly Reconciliation

Documents should be collated in the following order:

Monthly P-Card Purchase Summary Form, with approval signatures

Cardholder's Account Activity Report (summary of all transactions within the billing period)

Itemized receipts or invoices, in same order as the Account Activity Report

- **Lost Receipt.** If a receipt/invoice is lost, a duplicate receipt should be requested from the vendor. If unobtainable, the Cardholder should complete the “Certification of Receipt of Goods” form (Exhibit D) as the supporting documents for the purchase. Form can be found at <http://www.cpp.edu/~fas/forms.html> and must be submit in the P-Card Monthly Reconciliation. *NOTE: Repeated use of this form as a substitute for a receipt may result in suspension or cancellation of the Procurement Card Program.*

It is strongly recommended that Cardholders follow-up with their Approving Official to ensure approval and signature.

Step 7: Keep copies of the monthly reconciliation report, including all supporting documentations (invoices, receipts, etc.) for the Cardholder’s department records. In the event of an audit, the department, including the Cardholder and Approving Official, may be required to provide these documents.

ADDITIONAL CONSIDERATIONS

The following are considerations for the use of the P-Card. These considerations are subject to change. Please keep these in mind while ordering with the P-Card.

Presidential Order 7.8 – “Use of Foundation Services and Central Support Resources” (Est. March 2009)
Requires faculty and staff to first use Cal Poly Pomona Foundation Services (bookstore, food services, catering, campus lodging) and Graphic Communications Services (printing and publications) for all State or Foundation business before utilizing a 3 rd party vendor. If on-campus facilities cannot provide the requested items, please provide a copy of their email wavier. The complete Presidential Order can be found at: http://www.cpp.edu/~policies/presidential-orders/index.shtml

Information Communication Technology (ICT) and Accessibility Technology Initiative (ATI)- Review Guidelines – as a result of Federal Law Section 508 and CSU Executive Order 1111.

Information and Communication Technology (ICT) purchases must meet the requirements of the Accessible Technology Initiative (ATI) and subject to an ATI/IT review. Any purchase of a product that creates, stores, or transfers digital information is considered ICT. Examples include websites, web applications, copiers/printers, instructional equipment and applications, video and multimedia products, software, operating systems, kiosks, desktop and portable computers, research applications, etc.

ATI/IT Review (if required) must be completed by the ATI Coordinator before making the purchase. Once completed, include this information with the reconciliation paperwork.

Section 508 refers to federal guidelines that facilitate procurement of products which meet the accessibility needs of our campus community. If the product requires electricity, has an interactive screen or display, stores, and transfers information, it probably falls under Section 508.

Additional information can be found at: <http://www.cpp.edu/~accessibility/procurement/index.shtml>

NOTICE: Software and software related maintenance, license agreements, renewals, etc. are not allowable on the P-Card regardless of cost. Purchasing process must be through a requisition and submission via email to CPP Procurement, procurement@cpp.edu. Any deviation from this policy may result in the revoking of P-Card privileges.

High Spending Limits over \$50,000

For total transactions of \$50,000 or more with a specific vendor annually may require an informal bidding. For more information and exception, please contact Procurement Services.

Hospitality Expenses

The Chancellor's Office's Integrated CSU Administrative Manual (ICSUAM) describes hospitality items as "the provisions of meals or light refreshments, entertainment services, promotional items, gifts, awards and service recognition." In most cases, these items are restricted with state general funds. Additional information can be found at: <http://www.calstate.edu/icsuam/documents/Section1000.pdf>

It is the responsibility of the Cardholder and Approving Official to ensure that all hospitality purchases are appropriate and allowable. The CPP Hospitality Policy can be found at: <http://www.cpp.edu/~policies/university/financial/index.shtml>

Assets and Property

Non-capital (\$500 and above and under \$5000, including freight and tax) property purchases are allowed and require written notification by email to the Property Officer. Upon receipt of goods, the Cardholder must notify the Property Officer to tag the items. It is the responsibility of the Cardholder to work directly with the Property Officer to coordinate any required tagging.

Notice: Equipment Hardware of \$5000 or greater including tax and freight are prohibited purchase on the P-Card.

Please contact Procurement's Property Officer at ext. 3394 when purchasing a property item for on-site tagging. A description of property criteria can be found at: <http://www.cpp.edu/~procurement/asset-management.shtml>.

Sales Tax

Cal Poly Pomona is required to pay California sales tax for all tangible goods received including any out-of-state commodity purchases on the Procurement Card. If an out-of-state vendor does not charge sales tax, Procurement Services will apply the appropriate used tax to the purchase. It will appear as a separate entry on the Cardholder's departmental chargeback as CC USED Tax.

USING THE P-CARD

CSUBUY (eMarketplace)

This is the default platform for using the Procurement Card (P-Card) to make purchases. This platform provides a wide variety of suppliers' catalogs, including CSU contracted pricing and terms, for an easy and efficient shopping experience for business needs. For access and location to log in, please visit the Chancellor's Office CS&P CSUBUY page on [CSYOU](#).

When a Procurement Card (P-Card) is not used for extended periods, it becomes a potential risk to the University. Based on this risk, a Procurement Card that is not used for 12 consecutive months is subject to being closed by the Procurement Card Administrator. Notice will be sent to the Cardholder/Responsible Person and Approving Official with a date of closure and instructions to request that the account remain open. The account's status and request to remain open is subject to approval of the Procurement Card Administrator.

After 22 consecutive months of an account not being used, the Procurement Card may be automatically closed by U.S. Bank pursuant to U.S Bank guidelines and the CSU contract.

Items not available on CSUBUY

To obtain goods and services that are not available through CSUBUY, the Cardholder may either go to the place of business or place the order by phone or internet. The Cardholder is also responsible for the examination of purchases and returning merchandise to the vendor in the event an item is damaged, broken or otherwise does not meet expectations.

Shipping / Delivery Instruction

All purchased items, using the Procurement Card (P-Card), must be delivered to the campus. **No other delivery destinations are allowed**, unless otherwise approved in advance by Procurement Card Administrator.

All shipping labels must have the following information:

Cal Poly Pomona
3801 West Temple Ave.
[Cardholder's Name/Department Name/Visa Order]
Pomona, CA 91768

When placing orders to be shipped to the Cardholder, mailing address instructions are very important to ensure the Cardholder receives the order. Purchases may be returned to the vendor at the Cardholder's expense if appropriate information is missing on shipping labels.

Acceptable Receipts/Invoices

The State Controller's Office requires an itemized receipt or invoice for ALL purchases including internet purchases. **Packing slips, quotes, or e-mail confirmations without itemized prices are not acceptable.** For orders placed through CSUBUY, the Purchase Order page cannot be used in place of the vendors invoice/receipt. The Cardholder shall ensure that all receipts have the following information:

- Vendor name and address
- Date of purchase
- Description of item(s) purchased
- Quantity ordered
- Price per item
- Amount of sales tax
- Shipping charges, if applicable
- Total

Internet Purchases - Most Internet vendors provide on-line receipts. E-mail confirmations must have vendor's physical address or website name.

Subscriptions. The subscription form can be used as a receipt.

Telephone orders. The Cardholder must ask the vendor to provide an itemized receipt before making a purchase. The receipt must be faxed or emailed directly to the Cardholder. If a vendor cannot provide an appropriate receipt, do not do business with them.

Card Rejections

If at any time a purchase is rejected, be sure to check for some common reasons below. If assistance is needed, contact the Procurement Card Administrator.

- Exceeded single and/or monthly purchase limit within the billing period
- Incorrect card number, expiration date, CVV code (three-digit code on the back of the card)
- Merchant Category Code is blocked. Merchant category codes (MCC) determine how a vendor is classified. Certain MCCs are blocked to prevent use at unauthorized groups of merchants. If a legitimate transaction falls into one of the blocked MCC groups, the Procurement Card Administrator can temporarily or permanently override the block and allow the transaction at the request of the Cardholder.

Monitoring and Reporting Fraud

Make sure to use only secure websites and monitor the card usage.

Check U.S. BANK Access Online monthly regardless of making purchases or not to ensure there are no unauthorized purchases.

Immediately report any unauthorized purchases to U.S. Bank at 800.344.5696 and inform the Procurement Card Administrator. The card will be cancelled. A new card will be reissued and mail to the Procurement Card Administrator. The Cardholder will be contacted when the new card arrives.

Lost / Stolen Cards

For lost or stolen cards, the Cardholder shall immediately contact the U.S. BANK Customer Service 24-hour number: (800) 344.5696.

In addition, the Cardholder must notify the Procurement Card Administrator and the Approving Official as soon as possible. The Procurement Card Administrator will notify the Cardholder when the replacement card is available.

PROCUREMENT CARD VIOLATIONS

Cardholders are responsible for complying with all Procurement Card requirements to ensure appropriate use of the card. Failure to comply includes:

Inappropriate/prohibited purchases: Inappropriate purchases include those listed as prohibited purchases, personal purchases, allowing others to use the card, and restricted hospitality purchases.

Late or non-submittal of P-Card Monthly Reconciliation: This will result in a temporary deactivation on the Procurement Card (P-Card) until all documentations are received. It is imperative that a completed and signed P-Card Monthly Reconciliation are received in Procurement by the due date to ensure sufficient time for the audit process and departmental chargebacks to General Accounting.

Split purchases to circumvent the dollar limitation: Transaction splitting involves a merchant splitting a purchase that exceeds the Cardholder's single transaction limit into two or more smaller transactions to facilitate transaction authorization. Transaction splitting, whether requested by the Cardholder or initiated by the merchant, intended to circumvent the Procurement Card Program's controls and approval measures are prohibited. During the auditing process, if it is determined that purchases were

split, the Cardholder will receive a written notification by the Procurement Card Administrator. If a Cardholder requires a higher single transaction limit, the Cardholder's Approving Official may request a temporary increase of the Cardholder's limit.

VIOLATION MEASURES

Pursuant to Executive Order No. 760, Procurement Card Administrator is responsible for conducting audits of Procurement Card (P-Card) purchases to ensure compliance with Procurement Card Policies and Procedures.

When a violation or issue is identified, the Procurement Card Administrator will contact the Cardholder and/or the Approving Official in written form.

Failure to comply with the Procurement Card Policies may result in suspension or revocation of the Procurement Card (P-Card).

EXHIBIT B - ACKNOWLEDGMENT AND RESPONSIBILITY

To: Procurement Services Department, Building #75

I hereby acknowledge the delegation of authority to make purchases up to my approved limits per transaction (or department's approved level) without the approval of the Procurement Services. I also acknowledge that I am responsible for the security of the card, and for the appropriate use of this card for department purchases. Furthermore, I have attended the training and read and understand the Procurement Card Program User's Policy Manual. I understand and agree to the following:

I, the Cardholder agree to provide the necessary documentation (i.e. receipts/invoices) to the Approving Official for reconciliation from the Account Activity Report for each billing cycle in a timely manner, in order for the Approving Official to forward appropriate documents to pcard@cpp.edu no later than the 10th of each month, which will ensure payment without penalty or interest charges. I will make provisions if I am to be absent during this period.

I understand and acknowledge the following:

All State purchasing guidelines still apply and orders shall not be split to circumvent purchasing procedures.

I will abide by all requirements as specified in the Procurement Card Program Policy Manual.

I will be sure that the vendor is supplied with proper shipping/mailling information including Cardholder's name, department, and that the words "Visa Order" appear on the package to ensure proper delivery on campus.

I am responsible for the original receipts/invoices that will be used in the reconciliation. The receipts/invoices will be attached in the order they appear on the Account Activity report. To avoid not having a receipt or an appropriate substitution, I will make sure the vendor can provide an adequate receipt prior to placing orders.

I am responsible for filing any dispute forms so that the monthly bill can be adjusted accordingly.

I understand that any unauthorized use or misuse of the card may result in card suspension. Unauthorized use is allowing someone else to use my card. Misuse is the use of the card for any personal benefit or inappropriate purchases. The card is not to be used for any employee travel expense (i.e. airfare, conference fees, hotel reservations, hotel, rental cars, meals, and entertainment) even on state business. See Prohibited Items in Handbook.

I will ensure that the Approving Official signs and forwards the P-Card Monthly Reconciliation to me or pcard@cpp.edu no later than the 10th of the following month. I understand that the third late submission will result in suspension of my card.

I understand that this card is valid only while I am employed in this department and that if I transfer to another department, or at the time of termination from the University, I must relinquish this card to the Procurement Card Administrator.
