How Many Internships Do You Really Need to Get a GOOD Job in Industry?

Working Smarter to Get a Great Career Upon Graduation

Thursday
November 5

12:00 PM
- 1:30 PM

Bookstore, Bldg 66
Room L100

We will have food!

Join Dr. Valasek and Dr. Klyde as they share decades of experience in industry, government, and academia, and what aerospace employers are really looking for in entry-level engineers.

Dr. John Valasek

Professor of Aerospace Engineering, Texas A&M
Director, Vehicle Systems & Control Laboratory
Cal Poly Pomona Alumnus (1986)
AIAA Fellow (2017)
Formerly Northrop, NASA Langley, and AFRL

Dr. David Klyde

Tech Fellow, Flight Controls at Virgin Galactic
Cal Poly Pomona Alumnus (1987)
NASA SR-71 and F/A-18 flight research programs
Former Tech Fellow at Systems Technology, Inc.
