INTERNAL PRE-PROPOSAL FOR LIMITED SUBMISSION OPPORTUNITIES

This pre-proposal should be completed by all faculty/staff interested in an opportunity where the sponsor limits the number of submissions from an institution. Please consult the Office of Research web page for information on the internal process for limited submission competitions (https://www.cpp.edu/research/sponsored-program/limited-submission-opportunities.shtml).

Submit this pre-proposal to the AVP for Research & Innovation: Completed preproposals and required attachments must be emailed to the AVP by the established internal deadline. Submissions to other university offices do not satisfy this requirement.

Principal Investigator (PI) Name, Title:

Phone: Email: Department of PI:

Sponsor/Program applying for:

URL for the Request for Proposals (RFP):

List names/organizational affiliations of internal and external collaborators

Project Title:

Total budget:

Cost Sharing Required? Yes ○ No ○ If yes, amount:

Signature of Principal Investigator (PI)

Signature of Department Chair

How does the proposed project align with the criteria given in the solicitation?

How does the project support CPP's mission?

What makes this project likely to be selected for funding?

In the next two pages, please provide a summary of your project. Attach to this document your biosketch and biosketches for your collaborators as they would be submitted to the sponsoring agency. Please limit biosketches to five (5) pages. Also attach your current and pending support.
