

Daily Reflections—Day 1
Properties of Matter

Name: _____

What are your first reactions to the STeLLA claim that it's important to plan and analyze science teaching through the Student Thinking and Science Content Storyline Lenses? What was convincing or not so convincing for you and why?

What new science idea or question did the content deepening session get you thinking about?

Provide feedback about today's session and the program so far (likes, dislikes, questions, concerns, and suggestions).
