

Daily Reflections—Day 7
Earth's Changing Surface

Name: _____

What are your reactions to the strategy of selecting content representations and models that are matched to the lesson's main learning goal?

What is something new you've learned about Earth's surface and how it changes over time? Did your content-representation analyses support this learning in any way?

Provide feedback about today's session and the program so far (likes, dislikes, questions, concerns, and suggestions).
