To help the praying mantis and the plant live and grow, what else do they need to include in their terrarium environment?

Will the other class need any of the following things for their terrarium environment? Put an X in a box to show YES or NO for each thing.

	YES	NO
 <b>A Dark Room</b>		
 <b>Ladybugs</b>		

**YES**

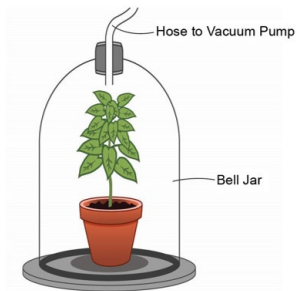

**NO**

**A Toy Lizard**

**Light**

**A Place with No Air**

**Water**

**A Shell**
