

# COS Tutoring Information Spring 2021

## Updated 1.26.21

### Chemistry Academic Excellence Workshops & Math Tutoring

#### Open to everyone on campus

Workshop participants, on average, achieve one grade higher in the course if they are consistent workshop participants, as opposed to those who do not take advantage of the workshops.

# University Housing Services and Educational Opportunity Program

UHS and EOP [tutoring services](#) are now together. Their tutoring services offers one-hour appointments that utilize their innovative approach which blends traditional tutoring with peer-academic coaching. While they are available to go over course concepts and read through essays, they offer so much more. When students partner with an EOP Learning Success Strategist, they develop the necessary skills and strategies for academic success in any course, including Learning, Productivity, and Mindset. **To learn more about their services**, including our drop-in hours and how to schedule an appointment through CPP Connect, their [Tutoring Page](#).

**They provide strategy sessions in the following areas:**

## Learning Resource Center (Library)

### **Tutoring open to everyone by the [LRC](#)**

Bronco Tutoring provides one-on-one and small group tutoring on an appointment, online, and drop-in basis for courses in math, science, engineering. Currently enrolled students are invited to call, email, or visit the [LRC](#) to schedule an appointment. The LRC offers synchronous (live) online tutoring through Zoom. It also provides math and physics workshops (listed below).

[LRC Workshops](#) for STEM courses in spring semester TBD.
