

HAROLD LINT MEMORIAL SCHOLARSHIP

The Scholarship is a **\$750 award** in recognition of superior academic performance and promise in honor of the late **Dr. Harold Lint**, distinguished founding faculty member of the Biological Sciences Department for 33 years. Dr. Lint's love of botany and his deep concern for his students made him one of the most effective instructors on campus. Also, Dr. Lint worked summers as a park ranger in the Grand Canyon, Lassen and Olympic National Parks. His genuine concern for plants and environmental conservation, which he was voicing 30 years before they became popular issues, was the reason this scholarship was established in his memory.

ELIGIBILITY:

- Applicants must be **undergraduate students with senior status (90 semester units completed by the start of the Fall Semester of the academic year in which the student applies) in one of the Biological Sciences majors, or graduate students in Biological Sciences during the academic year in which they apply. They must have a primary interest in botany and/or biological conservation.**
- Undergraduate applicants must have been enrolled full time during the previous academic year and must expect to be enrolled full time during the academic year in which the student applies; graduate applicants must be enrolled as part-time or full-time students during the previous academic year and must be enrolled for the next academic term.
- Undergraduate student applicants must have a minimum GPA of 3.3 in all major core and support courses completed as well as a minimum overall GPA of 3.0 in all university work since achieving sophomore status. Graduate student applicants, in addition to the undergraduate requirements, must have earned a GPA of 3.3 or greater in all completed graduate work.
- An individual may not receive this scholarship more than once, or receive this and the Gregory Scholarship in the same year.

APPLICATION REQUIREMENTS:

- 1) **Application form:** Applicants must complete the Biological Sciences Department Scholarships and Awards Application Form, which is available on the biology department website at <https://www.cpp.edu/~sci/biological-sciences/students/student-scholarships.shtml>.
- 2) **Transcripts:** Submit a transcript of your coursework at Cal Poly Pomona as well as transferred coursework from other schools (unofficial transcripts are accepted).
- 3) **Personal Statement:** Submit a personal statement (not exceeding 1,000 words) that addresses your interests, activities, accomplishments, and career aspirations in biology.
- 4) **Recommendation Letters:** Arrange for **three** letters in support of your application. At least two of them must be from faculty members in the College of Science at Cal Poly Pomona. The letters must be submitted separately by the recommenders at the following website <https://www.cpp.edu/~sci/biological-sciences/students/bio-scholarship-recommendation.shtml>. In the event that a recommender is unable to submit a letter via the website, they should contact the chair(s) of the Student Award Committee to arrange for an alternative way to submit a letter (contact information for the chair(s) is provided on the award website: <https://www.cpp.edu/~sci/biological-sciences/students/student-scholarships.shtml>). The letter should be addressed to the Scholarships and Awards Committee. In addition, each recommender's letter must cover **ALL** scholarships/awards for which the student is applying, NOT separate letters for each scholarship.
- 5) **Curriculum Vitae:** Include a **1-page** CV outlining all relevant accomplishments and activities related to this award.

DUE DATE:

Requested application materials for this scholarship, except for recommendation letters, must be compiled into a single pdf file named as "Last name_Lint Scholarship", and uploaded at: <https://www.cpp.edu/~sci/biological-sciences/students/bio-scholarship-application.shtml>. Applications must be received by **April 6h**.

SCHOLARSHIP SELECTION AND AWARD NOTIFICATION DATE:

A committee comprised of members of the Biological Sciences faculty will review the applications and select the scholarship recipient. The committee will look particularly at past accomplishments and the future potential of each applicant. The scholarship recipient will be notified of the result of their application in the fourth week of April, and the Scholarship will be presented near the end of the Spring Semester at the Department of Biological Sciences Awards Ceremony.

In addition to the cash award, the recipient will be given a certificate of recognition, and their name will be added to a plaque of commendation in the Department Office.
