

Chemistry Art Contest!

Chemunity invites you to help us create a permanent community art piece for the Chemistry & Biochemistry Department that highlights diverse chemists and artistic styles.

What you need to do:

- Select a chemist that you would like to portray from <https://diversifychemistry.com/>
- Email chemunity@cpp.edu which chemist you have selected to ensure that we don't have duplicates
- Create artwork with a hexagon shape of the chemist you chose
 - Hexagon must be vertically oriented
 - Final canvas will be 10" tall, 8.5" wide, with each side 5" long
 - You should include the chemist's full name somewhere on the piece
- Submit your art by Friday April 7 at 11:59 pm to chemunity@cpp.edu
 - Digital submissions are preferred (including high quality photographs)
 - Multiple submissions are allowed

What Chemunity will do:

- Review submissions and ensure no duplicate chemists are chosen
- Pay for printing of selected artwork (up to 30) on hexagonal canvases
 - Final canvas will be vertically oriented: 10" tall, 8.5" wide, with each side 5" long
- Install artwork in building 8, 3rd floor
- The piece will be unveiled by the end of Spring 2023
- Host community event to recognize artists and award prizes
