

Computer Science Career Interests

Software Engineering

CS 2450 Programming Graphical User Interfaces
CS 3560 Objected-Oriented Design and Programming
CS 4350 Database Systems
CS 4750 Mobile Application Development
CS 4810 Software Engineering Practice

Data Science

CS 4200 Artificial Intelligence
CS 4210 Machine Learning and its Applications
CS 4250 Web Search and Recommender Systems
CS 4350 Database Systems
CS 4650 Big Data Analysis and Cloud Computing
CS 4990 Social Networks

Game Development

CS 2990 Foundations of Game Development
CS 2450 Programming Graphical User Interfaces
CS 4450 Computer Graphics
CS 4700 Game Development
CS 4990 AI in Games

Artificial Intelligence

CS 3520 Symbolic Programming
CS 4200 Artificial Intelligence
CS 4210 Machine Learning and its Applications
CS 4990 AI in Games

Cybersecurity

CS 2990 Intro to Cyber Security and Forensics
CS 3800 Computer Networks
CS 4600 Cryptography and Information Security
CS 4990 Network and Web Security
CS 4990 Software Security and Reverse Engineering
CS 4990 Wireless and Mobile Security
