Applying for Graduation

Students must submit a graduation application through Bronco Direct by the appropriate deadline. Please see timetable below for specific dates. The application is valid only for the quarter for which it is submitted. Students failing to submit their application by the appropriate deadline may be required to graduate in a future quarter.

Beginning with the summer 2008 graduation term, students will be able to apply for graduation in BroncoDirect. For instructions on how to apply for graduation online, [click here](#).

Students, except for students with majors in the College of Business Administration, College of Science or Collins College of Hospitality Management, may not apply for graduation unless they have previously submitted a [Graduation Check Request Form](#).

Beginning Winter 2010, Graduation Checks for students in the College of Business Administration, College of Science and the Collins College of Hospitality Management will be done automatically. Students with majors in these colleges do not have to complete a Request for Graduation Check Form.

The Application for Graduation fee of \$55.00 must be paid after submitting your Graduation Application online. Failure to pay the Graduation Application fee will result in a hold placed on the student's record, which will prevent future registration in Cal Poly Pomona classes or the ability to receive a Cal Poly Pomona official transcript and diploma.

[More Information About the Graduation Process](#)

Students in Inactive Status with the university:

1. Obtain a Graduation Application form from the Registrar's Office.
2. Obtain a General Academic Petition form to waive residency requirement.
3. See your academic advisor in the department of your major and obtain approval.
4. Once approved, pay the graduation application fee and submit forms to the Registrar's Office.
