## NEWS

### [CPP GIVING DAY](#)

**Cal Poly Pomona's 10th annual day of giving**, is coming. Mark your calendars for April 19-20. The College of Science is looking for [Ambassadors](#) who will share Giving Day content on their social networks. Your investment in student success during [Giving Day](#) transforms the lives of Broncos, and the impact will ripple across their communities.

### **SCIENCE ALUMNI LUNCH AND RESEARCH SYMPOSIUM**

Join fellow CPP science alumni for lunch and networking on **Friday, April 28**, starting at 10:30 a.m. The event includes admission to the Science Research Symposium showcasing current student research. [Register to attend](#).

### **Professor Steve Alas Receives Wang Family Excellence Award**

CPP Biology Professor and alumnus Steve Alas ('94, biology) is the Director of Science Educational Enhancement Services (SEES). Alas is dedicated to eliminating barriers for underrepresented and first-generation students in STEM. [PolyCentric Story](#). [CSU Story](#).

### **Associate Professor of Chemistry Kathryn McCulloch Receives Wall of Cool Honors**

The Wall of COOL celebrates exemplary technology-infused and enhanced course development by Cal Poly Pomona faculty. Save the Date: Friday, April 21, 2022, 9-12 p.m. for the [Wall of COOL Awards presentation Followed by a Teaching Workshop](#)

### [Cal Poly Wild at the Voorhis Reserve – Video](#)

Cal Poly Wild is a long-term remote camera monitoring program at the Voorhis Ecological Reserve on Cal Poly Pomona's campus. The remote cameras will document wildlife at the reserve. Students in introductory biology courses will have access to data and techniques used by ecologists to study wildlife populations.

### **Horses for Heroes**

Horses for Heroes helps veterans reconnect to everyday life by allowing them to build a bond with horses @ [Cal Poly Pomona](#). Organized by the [CPP Veterans Resource Center](#). [See the coverage on ABC](#).

### **Motor Development Clinic**

The Department of Kinesiology and Health Promotion's [Motor Development Clinic](#) (MDC) started their 10-week motor skill program in February. There will be a Summer Session from June 14 to July 14, Tuesdays and Thursdays from 9 a.m. to 12 p.m. For more information about the program, contact Mai [mnjara@cpp.edu](mailto:mnjara@cpp.edu) or Chloe [asimpson@cpp.edu](mailto:asimpson@cpp.edu).

## OUR MISSION:

**Educate, mentor, and inspire students through scientific inquiry and hands-on learning**
