

## **VINCENT & JESSIE PARKER SCHOLARSHIP**

### **\$1,250 Available in Scholarship(s) for Physics Majors**

#### **Requirements:**

- The Vincent & Jessie Parker Scholarship fund will be awarding \$1,250 in scholarship(s) to Physics Majors (sophomore level – senior level).
- Students must have completed the equivalent of three full-time quarters at Cal Poly Pomona.
- Students must exhibit exceptional scholarship while progressing towards a baccalaureate degree in Physics.
- Students must be able to demonstrate a significant promise of developing a career in Physics & Astronomy.
- Submit a one-page application letter to the Department Chair of Physics & Astronomy describing your academic accomplishments and plans.
- Department faculty will review all applicant letters and select the most qualified scholars who are able to demonstrate academic achievement.  
*Note:* The number of scholarships awarded will depend on the number of qualified applicant letters received.

***Application Deadline: February 27, 2015***
