

Academic Senate
1-27-16

Nyla Simjee
Secretary of Education

- I. Quarterly Club and Resource Fair**
 - a. The first fair took place January 5th.
 - b. Student turnout was greater than we anticipated and student feedback reflected a demand for these kinds of events.
 - c. The next Club and Resource Fair will take place on March 29th and U-Hour.
- II. Sustainability Committee**
 - a. Student clubs and organizations can submit proposals of either sustainable projects or events to be funded by the TGIF (The Green Initiative Fund).
 - b. Discussed proposals to be approved and funded by the TGIF.
 - c. Alternative Transportation Fair
 - i. Will be taking place Feb. 25th with attendees such as Uber, Foothill Transit, Metro, etc.
- III. Education Enhancement Board**
 - a. Applications for the Education Enhancement Board are available.
 - b. One of the purposes of the Board will be to serve as the liaison between the students and the Academic Senate
- IV. Agriculture Resolution**
 - a. The resolution states that the ASI Senate formally supports The College of Agriculture having accessibility to the “learn by doing” approach that is essential to the mission of Cal Poly Pomona.
 - b. In addition, the resolution states that the College of Agriculture be allowed the resources to preserve and produce a program that will remain beneficial for future students of the college as well as current students.
- V. Engineering Resolution**
 - a. This resolution states that the ASI Senate urges campus administration to actively seek and attain exemptions for all the majors in the College of Engineering to the Title 5 unit cap limit as deemed appropriate.
