Minor IN Computer Information Systems FOR SEMESTERS

Academic Programs Committee

Date: 04/04/2016

Executive Committee
Received and Forwarded

Date: 04//06/2016

Academic Senate

Date: 04/13/2016
First Reading

BACKGROUND: The Department of **Computer Information Systems** has put forward a referral for **Computer Information Systems Minor** for semesters. This is a **new** program, but it is very similar to a minor that was offered until Fall of 2015; that previous minor was removed from the catalog to enable a fresh redesign in the transition to semesters. The intended audience of this minor is primarily students outside of the College of Business.

This minor has 21 semester units and will be offered on the semester calendar.

RESOURCES CONSULTED:

Deans

Associate Deans

Department Chairs

All Faculty

DISCUSSION:

Before reaching the Academic Programs Committee, this program was reviewed by the College Curriculum Committee in the College of Business Administration as well as the Dean of COLLEGE OF BUSINESS ADMINISTRATION and the Office of Academic Programs. All concerns raised at those levels were addressed. The Academic Programs Committee then conducted campus-wide consultation, as well as its own review of the program. No concerns were raised.

RECOMMENDATION:

The Academic Programs Committee recommends approval of the semester program **Computer Information Systems Minor**.
