BACKGROUND: The College of Engineering has put forward a referral for Discontinuation of Ocean Engineering Minor for semesters. It has been several years since any students were enrolled in the minor, and the faculty who oversaw this minor and had the most relevant expertise are no longer available.

RESOURCES CONSULTED:

Deans
Associate Deans
Department Chairs
All Faculty

DISCUSSION:

Before reaching the Academic Programs Committee, this program was reviewed by the College Curriculum Committee in the College of Engineering as well as the Dean of Engineering and the Office of Academic Programs. All concerns raised at those levels were addressed. The Academic Programs Committee then conducted campus-wide consultation, as well as its own review of the program. No concerns were raised.

RECOMMENDATION:

The Academic Programs Committee recommends approval to discontinue the Ocean Engineering Minor for the semester program.
