BACKGROUND: The Department of Mechanical Engineering has put forward a referral converting the existing BSME degree in the quarter system to the semester system program.

The Mechanical Engineering program provides a quality, well-rounded education that is based on imparting fundamental knowledge and skills in mathematics and pure science as well as engineering science and design, and prepare graduates who will be effective contributors to the Mechanical Engineering profession within a short time after their graduation. It is an ABET accredited program.

RESOURCES CONSULTED:

Deans
Associate Deans
Department Chairs
All Faculty

DISCUSSION:

Before reaching the Academic Programs Committee, this program was reviewed by the College Curriculum Committee in the College of Engineering as well as the Dean of Engineering and the Office of Academic Programs. All concerns raised at those levels were addressed. The Academic Programs Committee then conducted campus-wide consultation, as well as its own review of the program. No concerns were raised.

RECOMMENDATION:

The Academic Programs Committee recommends approval of the semester program Bachelor of Science in Mechanical Engineering with GE Area A3 double counted.
