BACKGROUND: The Department of English and Foreign Languages has put forward a referral for Certificate in German Studies for the Professions for semesters. This is a revised program.

The Certificate Program in German Studies for the Professions is designed for students who intend to pursue a career in the private or public sectors for which knowledge of German and the command of the language are useful or necessary, as well as for students who intend to pursue a graduate program in which such knowledge and competency are required. The program differs from baccalaureate minors and degree programs in the special overall emphasis. It gives practical and applied knowledge of foreign languages for professional use. This program has been in operation for 12 years and the department submitted the proposal to re-certify the existing program.
