TITLE OF REFERRAL: NTR 3280: Food and Culture

BACKGROUND:

This is a modified general education course proposed for GE Sub-Area D4. It was an existing D3 course and the NTR Department wanted to change it to D4 designation.

RESOURCES CONSULTED:

Office of Academic Programs, NTR Faculty

DISCUSSION:

This is a modification from an approved D3 to a D4 Upper Division Synthes Course to achieve the Learning Outcome of an Upper Division Synthesis course. The GE Committee worked with the NTR Department, which made the appropriate changes, and finds that it meets the GE Rubric for D4. It was a referral that started last AY and has now met the GE Committee's recommendations.

RECOMMENDATION:

The GE Committee recommends approval of GE-016-189: NTR 3280: Food and Culture (D4).
