Graduation Initiative 2025 Metrics

Cal Poly Pomona Progress Summary

Gauge values were determined as follows: For each goal, an interim target was set by extrapolating a straight line from the 2010 (6-year freshmen, URM and Pell Gaps), 2012 (4-year freshmen and transfers), or 2014 (2-year transfers) cohorts to their respective 2025 goals. The current rates (for the 2013, 2015 or 2017 cohorts) were then compared to the interim targets, and the gauges were set as:

- Green if the graduation rate or gap was less than 1 percentage point below the interim target
- Yellow if the graduation rate or gap was between 1 and 3 percentage points below the interim target
- Red if the graduation rate or gap was more than 3 percentage points below the interim target
