First Reading

TITLE OF REFERRAL: PHY 2120L: Physical Science for Elementary Educators Laboratory (B3)

BACKGROUND: This is a request from the Physics and Astronomy Department to modify an existing GE course (B3), the laboratory offered in conjunction with the proposed GE-016-212. As with the other referral, the proposal changes the title to “Physical Science for Elementary Educators” and the new ECO modifies the course description, expected outcomes, course outline, and evaluation of outcomes.

RESOURCES CONSULTED: N/A

DISCUSSION: This course modification was appropriate and successfully meets the requirements of an Area B3 laboratory. No revisions of the ECO were requested.

RECOMMENDATION: The GE Committee unanimously recommends approval for PHY 2120L: Physical Science for Elementary Educators Laboratory.
