TITLE OF REFERRAL: EWS 4250-Gender, Power, and Emerging Technologies Laboratory (GE Synthesis D4)

BACKGROUND:

The Ethnic and Women's Studies department seeks to create this new lab component for EWS 4250 (see GE-007-212). This would modify the existing D4 course, EWS 4250. The course is also being changed in classification from C-02 (lecture discussion) for 3 units, to C-02 (lecture discussion) for 2 units and C-16 (Lab) for 1 unit (see G-008-212).

RESOURCES CONSULTED:

N/A

DISCUSSION:

The changes made to the course do not affect the course's ability to meet the D4 requirements when considered with the EWS 4250 course.

RECOMMENDATION:

The GE Committee unanimously recommends approval of GE-008-212: EWS 4250-Gender, Power, and Emerging Technologies Laboratory (GE Synthesis D4)
