TITLE OF REFERRAL: HST 4406 – History of Women, Gender, and Sexuality in the United States (GE Interdisciplinary Synthesis C3 & D4)

BACKGROUND: The History Department is modifying the name of HST 4406 from “Women in the United States” to “History of Women, Gender, & Sexuality in the United States” to better fit new language employed within the discipline. The History Department has also made slight modifications to the course description to reflect the updated language common within the discipline. The ECO was updated to reflect these changes.

RESOURCES CONSULTED: N/A

DISCUSSION: The changes made do not affect the course’s ability to meet the C3 and D4 requirements. Even so, the GE Committee reviewed the course ECO to ensure that it satisfied the criteria for successful GE Areas C3 and D4 courses, and we concluded that it satisfied these criteria.

RECOMMENDATION: The GE Committee unanimously recommends approval of HST 4406 – History of Women, Gender, & Sexuality in the United States (GE Interdisciplinary Synthesis C3 & D4).
