TITLE OF REFERRAL: CHM 1210 – General Chemistry I (GE Sub-area B1)

BACKGROUND: The Chemistry and Biochemistry Department is requesting to add MAT 1070 to a list of options to satisfy pre-requisite requirements for CHM 1210. MAT 1070 covers similar content as MAT 1050 and MAT 1060, both of which are included as pre-requisites in the current list of options. MAT 1070 is specially designed for science and engineering majors and has a slightly higher ALEKS placement score requirement.

RESOURCES CONSULTED: N/A

DISCUSSION: The changes made do not affect the course's ability to meet the GE Sub-area B1 requirements. No revisions of the ECO were requested.

RECOMMENDATION: The GE Committee unanimously recommends approval of CHM 1210 – General Chemistry I (GE Sub-area B1).
