**Preferred Name is now available in PeopleSoft**

A preferred name is any name an employee chooses to use other than their legal name. We invite all employees to go into employee self-service to view, add or update their preferred name. This preferred name will be used as your display name in various systems such as Microsoft Email Address book, ServiceNow, Canvas, Concur Travel System, PageUp Recruiting System, etc. The View/Update Names self-service page can be accessed from the Employee Center tab in MyCPP.

This up close and personal experience will be hosted by Cary Khatab, Director of the Cal Poly Rose Float Lab. Learn about the collaboration between Cal Poly Pomona and Cal Poly San Luis Obispo as they connect with students to enter a float in the annual Pasadena Tournament of Roses, Rose Parade. If you love watching the Rose Parade, this is a unique opportunity to get a look into the creation process and a sneak peek at the theme of this year's Cal Poly Rose Float!
