Academic Programs

Written Communication Assessment 2022 – 2023

- Collecting student artifacts from 3000- & 4000-level courses

  - Approx. 2 – 10 pages in length

  - Individually written (i.e., not a group paper)

  - Addresses the four categories of the university rubric:

Context & Purpose for Writing	*addresses audience, purpose & context*
Organization	*ideas & concepts are organized*
Development	*advances ideas using compelling & relevant narratives*
Clarity & Grammar	*use of grammar tools to communicate*

Enrollment Management & Services

- On October 1, the Office of Financial Aid and Scholarships kicked off the start of the new scholarship cycle.

- There were over **300 scholarship opportunities** published on opening day, with an additional 60 opportunities since then, representing an increase of more than **1,000% compared to last year.**

- This is the highest number of opportunities ever on the opening day of the cycle!

- Current fund balances have us on track to award nearly $3.5 million this cycle.
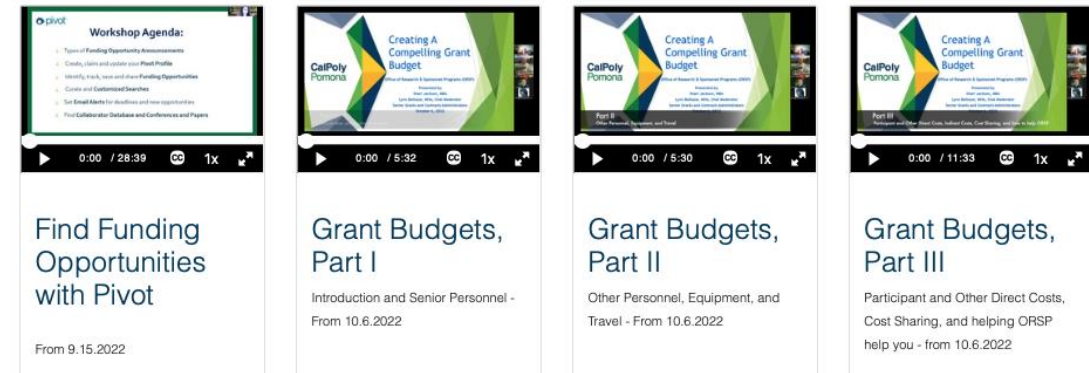

Research, Innovation, and Economic Development

Workshop Schedule

Date	Topic
Sept. 15	Identifying Funding Opportunities

Cal Poly Pomona Progress Summary

Six years into this initiative, CPP is making good or moderate progress toward most of its goals and limited progress toward others.
