TITLE OF REFERRAL: MAT 1050 – College Algebra (GE Sub-area B4)

BACKGROUND:

The Mathematics and Statistics Department is requesting to remove “Category III” from the list of pre-requisite requirements options for MAT 1050. MAT 1055 College Algebra with Support was created to provide Category III students College Algebra with additional support in place of MAT 1050. The Department has requested removing “Category III” from the list of pre-requisite requirements options for MAT 1050, since it is no longer an option for the course and Category III students are already taking MAT 1055.

RESOURCES CONSULTED:

Dr. Berit Givens, Chair, Mathematics and Statistics Department

DISCUSSION: The changes made do not affect the course’s ability to meet the GE Sub-area B4 requirements. No revisions of the ECO were requested.

RECOMMENDATION: The GE Committee unanimously recommends approval of MAT 1050 – College Algebra (GE Sub-area B4).
