BACKGROUND:

CSU chancellor's office recently (Oct 1 2023) revised the CIP code for Business Analytics program from 52.1301 (originally under quantitative methods, analysis, business analytics) to 30.7102 (now under Business Analytics, and following ICE's STEM code for Business Analytics [1]).

The proposed CIP code change is to align to these changes by ICE and CSU [2].

There is no other change in this proposal.

RESOURCES CONSULTED:

Dr. Daisy Tang, Chair, Computer Science Department
Deans of College of Science, Engineering and Business
Dr. Salomon Oldak, Director, Graduate Studies.

DISCUSSION and RECOMMENDATION:

The AP committee recommends changing the CIP code for the Business Analytics programs from 52.1301 to 30.7102 to align with the changes by ICE and CSU.
