Winter-Spring Integration

BEGINNING SPRING 2027

1 WHY WE'RE CHANGING

Integrate Winter Intercession with the Spring semester to align with **federal requirements** and **CSU policy**.

2 WHAT CHANGES

Winter + Spring operate as **one Spring semester**. Winter grades contribute to the **Spring semester GPA**.

3 WHAT DOES NOT CHANGE

- Winter remains self-support.
- Spring remains state-support.
- Degree requirements, aid limits, and graduation/commencement remain unchanged.
- The overall academic year structure remains the same.

4 SUPPORT STUDENT ACCESS & SUCCESS

- **State University Grant** eligibility remains based only on Spring state-support enrollment and charges.
- **Federal aid and scholarships** may cover winter charges.
- **Winter Study Abroad** becomes Spring enrollment.
- Combined enrollment supports more accurate reporting.

**FINALIZED
AFTER SPRING**

**Semester
GPA**

**Academic
Standing**

**Grade
Forgiveness**

Dean's List

CY 2026-27 Enrollment Update

- September 16 is the census date for fall enrollment
 - Final numbers will be available in about a week, after data cleanup is complete
- CPP received growth funding for 422 added resident FTES in CSU allocation
 - In addition to funding for 285 FTES of existing over-enrollment
 - Must achieve annual enrollment goals to keep all new funding permanent
- About 6,780 new students, freshmen and transfers, enrolled in fall
 - New enrollment is below the planned 7,072
- Expecting final census resident FTES about 1.5% below original fall goal
 - Plan to make up the shortfall by enrolling about 700 new spring transfers
- Non-resident enrollment continues to decline
 - 1,198 in 2019-20 down to about 500 in the current year
