CY 2026-27 Enrollment Update

APPLICATION DEADLINE
MARCH 2

CPP Scholarship Season Launches

Connecting students with millions in scholarship support

WHY THIS MATTERS

70%+
of CPP students receive financial aid

55%
of students are first-generation

Scholarships can reduce financial pressure and support student success.

2026–27 UTILIZATION PRIORITY

~45%
of available scholarship funds currently utilized

Increase this year
through stronger outreach and application support.

10–33%
relative improvement goal over the baseline

CAMPAIGN MESSAGE

NEXT-GEN BRONCO SCHOLARSHIP PORTAL

Launched October 1

325 opportunities
available at launch

One application.
Hundreds of possibilities.

A stronger platform for student access and accurate matching.

ACADEMIC SENATE ROLE | Encourage students to complete the application so more funds reach students

Student Career Development

Planning to incorporate career-engaged learning in your course, such as:

• Academic internships	• Service Learning
• Cooperative education	• Micro internships
• Digital badging	• Entrepreneurial training

- Please connect with Winny Dong, Interim Assistant Vice President, Academic Innovation

Save the Date for CAFE's Winter Institute: January 19-21, 2027

Announcements

CSU Claude AI Pilot for Research and Advanced Modeling

- The Chancellor's Office has allocated 212 Claude AI licenses to CPP as part of a CSU-wide pilot supporting faculty research and advanced modeling.
- Department chairs have been asked to identify and prioritize faculty who would benefit most from participating.
- Licenses will be distributed soon, with the pilot continuing through September 2027.

Mark your Calendar for our Fall Progress Report Dates:

- Week 8 – 11: October 15 – November 8
- https://www.cpp.edu/advising/progress-reports/index.shtml

GE Assessment of Oral Communication

- Aligning with the CPP Promise of career readiness by assessing verbal "business cards" and discipline-specific research introductions.
