Academic Calendar

Academic Affairs Committee — Date: Thurs., Sept. 24th, 2026

Executive Committee
Received and Forwarded — Date: Tues., Oct. 27th, 2026
First Reading: Wed., Nov. 4th, 2026

Background

1. Name: Keith Forward
2. Email: kmforward@cpp.edu
3. Title of Referral: Academic Calendar
4. Names and Titles of proponents:
    a. Connie Kuang, University Registrar
    b. Diane Gonzalez, Chief of Staff and Operations, Office of the Provost
5. Keywords: Calendar
6. Is there a deadline by when this referral needs to be considered by the Academic Senate? Yes
7. Deadline Date: 12/2/26
8. Justification for deadline: Academic Senate approval of the calendar for the next year must be completed no later than the last meeting of the fall semester because it must be reported to the Chancellor's Office before the first meeting of the spring semester
9. Background: The current draft academic calendar for the 2027-28 academic year and a projection of a total of five years have been prepared. This referral requests approval of the 2027-28 calendar. The projections are included to assist with planning for future years. Administrative dates may be adjusted to comply with CSU requirements and campus processing constraints.
10. Recommended Resources:

    b. Connie Kuang

Discussion

The Academic Affairs Committee received this referral on Thursday, September 24, 2026. Committee members were assigned sections of the 6 page document to review, met to discuss and compile a list of initial edits and questions, and forwarded them to the author of the referral Dr. Keith Forward, Interim Associate Vice President of Academic Planning (see below). All of these concerns were discussed with Dr. Forward during a meeting on Thursday, October 22nd. Beyond minor corrections, the following general issues were raised:

- The calendars do not adhere to Policy 1135, which covers summer term start and end dates, class time modules, and final exam times. This was conveyed to Dr. Forward during the meeting, and initial revisions were made to correct summer term start dates. However, additional work is needed to ensure that summer terms adhere to the policy in its entirety. *See below for the committee's feedback and suggestions for the second and third round of revisions.*
- The calendars continue to identify "Columbus Day" as a moveable holiday. Last year's report from the Academic Affairs Committee, which was approved by the Senate, recommended this holiday be replaced by Indigenous Peoples' Day—a holiday that is

recognized statewide by governor's proclamation, in Los Angeles County, at the CSU Chancellor's Office, and on many CSU campus academic calendars (see CSUDH, CSUN, CSUSF, CSUF, Sacramento State, and SDSU). The CSU system does not recognize Columbus Day as it is not an official California state holiday, yet CPP appears to be one of a small number of CSU campuses–and the only in Los Angeles County–to continue hold place for it in the academic calendar (CalState LA and CSULB do not observe either holiday, while CSUDH and CSUN observe Indigenous Peoples' Day). During the meeting with Dr. Forward, he stated that he would check in with the Chancellor's Office in order to address this concern directly. *The committee voted unanimously to replace "Columbus Day" with Indigenous Peoples' Day.*

- Commencement dates should adhere to the new Monday, Tuesday, and Wednesday schedule provided by President Quiñones. *See below for the committee's feedback and suggestions for the second and third round of revisions.*

A second round of edits was prepared and sent to Dr. Forward on Tues., October 27th, and a set of revisions were returned to the committee on Mon., November 2nd. A third round of edits was prepared and sent to Dr. Forward on Tues., November 3rd. The committee will continue to review these revisions and their alignment with Policy 1135.

Recommendation

The Academic Affairs Committee recommends approval of the 2027–28 visual and list calendars only, pending confirmation of revisions in alignment with Policy 1135 and the replacement of "Columbus Day" with Indigenous Peoples' Day. The remaining multi-year projection calendars should continue addressing Policy 1135 compliance and the replacement of "Columbus Day" with Indigenous Peoples' Day as a moveable holiday in subsequent reviews.

Thanks, Keith, for your time and expertise! Sincerely, the Academic Affairs Committee

Referral AA-002-267 "Academic Calendar"
Academic Affairs Committee Review: First Round - 10/21/2026

General questions:

1. In our initial review, many committee members noted how Columbus Day (as written currently) can be recognized as Indigenous People's Day. Is there any additional context you can provide that would help the committee understand why this is still currently recognized on the academic calendar, when the majority of CSU campuses—including those in LA county—don't include it?
    - 21-22 lists "Indigenous People's Day in LA County"
    - 22-23 lists "Columbus Day (Indigenous Peoples Day*) *Several U.S. states as well as many cities in California now observe the second Monday in October (Columbus Day) as Indigenous Peoples Day. California Governor, Gavin Newsom, recently proclaimed the second Monday of October in 2019 (October 14, 2019) as "Indigenous Peoples' Day." (https://www.gov.ca.gov/2019/10/14/governor-newsomissues-proclamation-declaring-indigenous-peoples-day/)" *More investigation on this with the Chancellor's Office and we can address it here by taking out Columbus Day and replacing it with Indigenous People's Day.*
2. Summer Session start and end dates should be in accordance with Policy 1135 *After some investigation on this, some changes to the calendars have been implemented.*
3. No policy was created (or is on the University Policies page) that defines the winter intersession (despite Phyllis Nelson's referral to Academic Affairs in 2018, AA-008-189), so it is difficult to judge if the dates are in accordance to university requirements and shared governance. This is a concerning issue!** *This referral didn't get approved, so there's no policy. There may have been some disagreement on what should be offered (unit wise) and potential conflicts with CBA (hours of work). Ideally, we will need to have a more robust conversation about what needs to happen during this intersession. It is not necessarily realistic to have a full 3 unit course during that time taking into account required hours and shortened timeframe (only 4 weeks). But, we can look at the data. Faculty should collect assessment data.*
4. Throughout the calendars, the dates for "National Voter Registration Day" (which always falls on a Tuesday) are consistently marked as September 17. These

dates will need to be updated each year. (*Note: This also happened during last year's review. Please update the calendar template.*)

5. Could you provide some guidance on what "grade finalization" entails? *Question for the Registrar's Office. It's generally one week after the fact.*
6. Overall, the committee has noticed a very significant squeezing of time for grading—sometimes less than one week for Fall semesters (see Fall semesters for 2027–2031; 2028 has a discrepancy between "grades due" date and "end of semester for faculty"). *This is based on the contract with CBA, and we can't ask faculty to do work past then. 2027 is a tough year because of how things are set up with the 45 day pay period. We can't push it up any further because of the 45 day pay period. That is the problem.*
7. Commencement dates can be updated in accordance with new referral. *TBD*
8. Election Day should be included in all calendar years. *That's fine.*

<u>Specific suggestions/questions:</u>

1. Page 1 - Update the months of January, February, March, April, and May to include the year 2028–not 2027 (bottom middle of doc, highlighted in yellow)
2. Page 1 - Summer start date (as per policy 1135)**: First day of summer should be on Monday or Tuesday depending on Memorial Day. *SUGGESTION: First day of summer should be marked (here and on future calendars) (highlighted in green)*
3. Page 1 - SUMMER SESSION I (as per policy 1135):
    a. M & T of 11th week (not the full week as marked on the calendar). M & T are highlighted in green and the remaining dates (Aug 11-13) should be adjusted accordingly.
    b. Session 1 grades due: 9am Monday of 12th week, so that should be Monday Aug 16 (should be green for grades due), and Aug 17 should be brown for fall conference, not green for grades being due.
4. Page 1 - SUMMER SESSION II
    a. SESSION II FINALS: Should be M & T of 6th week; nothing in the policy stipulates what should happen for July 4th observance and this should be updated (similar to how Policy 1135 mentions Memorial Day);
    b. Why is July 7th blue and not yellow or another color? Is this because it is the only day that is just part of Session 1? Still, the gradient or a split cell should be included to indicate finals for Session II.
5. Page 1 - SUMMER SESSION III
    a. Begins WED of 6th week (here it was marked as July 8th or the TH of 6th week)
    b. I added a yellow box on July 7th (or this could be a gradient or split cell) to indicate finals for session II and the overlap of the start of session III.

6. Page 1 - Spring Semester 2028
    a. Commencement has a comment on the cell, I changed dates to reflect the switch to M, T, W, and it was highlighted yellow to catch everyone's attention (it should go back to green once updated)
7. Page 1 - Notes left at the bottom of the visual calendar, indicating:
    a. Colors of weekend (FRI thru SUN) exams need to be changed back to yellow (for finals) and grey (for weekend/days off)
    b. A blue box showing commencement was added to cells for the three dates in May that will be the commencement ceremonies as per changes made in Fall 2026
    c. I left notes about when finals tend to be given during winter intersessions and summer sessions.
8. Page 2 - LIST CALENDAR FOR 27-28
    a. Names of the sessions should correlate with policy 1135 and how it is referred to elsewhere (session I is the 10 week session, Session II the first 5-week session and Session III the second 5-week session)
    b. As per policy 1135, summer session III should be should be July 7, not July 8
    c. Commencement dates needed updating
9. Page 3 - Do Fall 2028 classes end on Fri., Dec 8 as opposed to Sun., Dec 10?
10. Page 3 - List July 3, July 5 for Finals Week under the 1st 5-Week Session.
11. Page 3 - Summer 2028, grades are due Aug. 14, only three days after Aug 11.
12. Page 3 - Grades for Fall 2028 due Dec 21 while finals end Dec 17
13. Page 3 - Should Spring 2029 commencement date not overlap with finals
14. Page 3 - Spring 2029 “last day to drop and receive 100% refund” change to DEc 26 since university is closed
15. Page 3 - Veteran’s Day should be marked “Veteran’s Day (observed)” since it is on Nov 11 and they are observing it on Nov 10
16. Page 3 - what is the “0” at the bottom
17. Pages 4–6 - Start and end dates for summer sessions should be in accordance with Policy 1135
18. Page 6 - Summer session “grades due” dates are listed after “end of semester for faculty” (see highlights in yellow)
19. Page 6 - Check Spring 2032 Holiday dates (see highlights in yellow)

FYI: See attached, but **POLICY 1135 (as updated by AS-2467-145-AA) states that:

Session I - 10-week session beginning Wednesday of 1st week

NOTES REVISIONS/COMMENTS:
Per policy 1135, First day of summer should be on Monday or Tuesday depending on Memorial Day.
SUGGESTION: First day of summer should be marked (here and on future calendars)
Session I finals: M & T of 11th week (not the full week)
Session 1 grades due: 9am Monday of 12th week
Monday Aug 16 should be the green for grades due
Aug 17 should be brown for fall conference, not green for grades being due
SESSION I FINALS: Should be M & T of 6th week; nothing in the policy stipulates what should happen for July 4th observance and this should be updated.
Why is July 7th blue and not yellow or another color? Is this because it is the only day that is just part of Session 1? Still, the gradient or a split cell should be included to indicate finals for Session II.
SESSION III Begins WED of 6th week (here it was marked as TH of 6th week); I added a yellow box on July 7th (or this could be a gradient or split cell) to indicate finals for session II and the overlap of the start of session III.

Beginning of fall semester for faculty date on visual calendar should match what is written on the listed calendar for 2027-28.

Beginning of spring semester for faculty date on visual calendar should match what is written on the listed calendar for 2027-28.

May 19, 20, 21 colors need to change, as do May 22-24
May 22-24; I added just a blue box with the commencement color. In past calendars, the spreadsheet was set up with split cells to show both colors (or this could be turned into a gradient). Either way, I just did something quick to show a type of change that is needed.
NOTES: in the past, summer sessions had 5 days to a week (7 calendar days) between the final exams and when grades were due at 9am
for example: Summer Session II in 2023
30-Jun End of classes
July 3-5 Final exams
10-Jul Grades due at 9am
