Reference 2:

Please provide Name, Title, Organization, Phone and E-mail

Obligation Acknowledgment and Signature:

Scholars of CPP-SFS program will have the following obligations:

- Complete the cybersecurity academic curriculum and extra-curricular activities for personal and professional development under the guidance of the program director and faculty advisory council.
- Work for a US federal, state, local, or tribal agency (including approved government research facility) immediately after graduation, for a period of time equal to the period of scholarship funding.
- Participate in summer internships with a US federal, state, local, or tribal agency (including approved government research facility) in each summer during the scholarship period.
- Participate in conferences, workshops and job fairs organized by the CPP-SFS program and Office of Personnel Management.
- Reimburse the scholarship if the scholar withdraws from the program or fails to fulfil the service obligation for government employment.
- Undergo background investigations to obtain security clearances required by the internships and post-graduation employment.
- Sign legal form(s) attesting to the above obligations.

Please check below to acknowledge, and then print and sign:

I acknowledge the scholar obligations as mentioned above.

I certify that I am a citizen of the United States of America.

I certify that all the information I provided in the application is true and I acknowledge that any false information can result in the loss of a scholarship and required repayment of scholarship funds.
