MEET WITH A LEARNING STRATEGIST

EOP Learning Strategist (LS) is the official name of our EOP tutors who are current students equipped to provide guidance by building on a student's academic skills. EOP Learning Strategist's focus is not just on grades but on sharing the skills and knowledge needed to learn meaningfully and independently.

Schedule an appointment on [CPP Connect](#) and select to meet in-person at the EOP Learning Center (EOPLC) or online via Zoom. You can also stop our center in person and our team will gladly help you.

Pro tip: EOPLC Writing & Presentations Strategists can assist with general academic skills and strategies needed for most papers or presentation projects.
