

Undocumented Students Services (USS)

Undocumented Students Services (USS) supports the holistic success (academic, personal, professional) of undocumented students at Cal Poly Pomona. Our services extend to all in the Bronco undocumented community which include students who come from mixed-status families, Temporary Protected Status (TPS), refugee status and undocumented with or without Deferred Action for Childhood Arrivals (DACA). We offer student, faculty and staff support through our various services and resources.

Programs and Services

Bronco Dreamers Resource Center (BDRC):

The BDRC is a safe space for our undocumented community to access resources and build connections with one another.

UndocuGraduation:

Established in 2017, this event celebrates the strength and success of our undocumented student community on campus through a graduation ceremony and an acknowledgment of students' community cultural wealth.

Programs and Services (cont.)

Educational Enrichment:

USS offers a variety of academic, personal, and professional development workshops and activities that support the academic success of our undocumented community.

CARECEN Legal Services:

Direct immigration legal services are available free of charge to CSU students and employees. Attorneys and paralegals are available to assist students with general consultations, DACA renewals, and general assistance in filling out forms such as family-based petitions.

Connection to Resources:

USS provides support and referrals to services both on and off campus for our undocumented student community in areas such as academic, financial aid, residency, mental health, career development, legal, and others.
